PRODUCT INFORMATION

Manufacturer: **W+F Bern (Swiss)**

Model: **1889/11**

Description:

The Model 1889 was the first in the series of Schmidt–Rubin rifles that served Switzerland from 1889 to 1958. The rifle takes its name from the designer of its action, Colonel Rudolf Schmidt, and the designer of its ammunition, Colonel Eduard Rubin. Production of the rifle began in 1891. The straight-pull bolt action allows the user to pull the bolt straight back to unlock the action, cock the striker, extract, and eject the spent cartridge in one motion, and then push the bolt forward to chamber a round and lock the action.

12-round magazine, and wood stock that extends almost to the tip of the barrel. The Schmidt–Rubin 1889 was an advanced weapon for its time, and one of the first rifles to use copper-jacketed ammunition as its standard ammunition.

Important Magazine Information

Due to multiple states and cities now enforcing various magazine restrictions, we will not ship magazines that are restricted in your area with firearms to the states that don't allow them to. **If the mag that comes with the firearm is not legal in your state or city the magazine will be removed from the shipment.** We do not offer custom magazine requests to swap out, ship to another state, refund, pinning of mag, substitutions, dealer approval or other. Hopefully we will see changes to these laws and violations to our second amendment rights. We apologize for this, but we simply cannot accommodate each magazine request with over 30 different laws, regulations and restrictions impacting states, cities and local jurisdictions throughout the country.
