Important Magazine Information

Southern Tactical follows all state regulations regarding the sale of high-capacity magazines. Due to multiple states and cities now enforcing various magazine restrictions, we will not ship magazines that are restricted in your area with firearms to the states that don't allow them to. If the mag that comes with the firearm is not legal in your state or city the magazine will be removed from the shipment. We do not offer custom magazine requests to swap out, ship to another state, refund, pinning of mag, substitutions, dealer approval or other. Hopefully we will see changes to these laws and violations to our second amendment rights. We apologize for this, but we simply cannot accommodate each magazine request with over 30 different laws, regulations and restrictions impacting states, cities and local jurisdictions throughout the country. It is the customer's responsibility to be informed of your local laws prior to completing your purchase. Southern Tactical is not responsible for any issues that may arise with magazines shipped to you or your FFL dealer that may not be legal in your area due to a change in current laws.
