

# ST-15 458 SOCOM Rifle

**Brand:**

**Product Code:** ST-15 458 SOCOM Rifle

**Availability:** In Stock

**Weight:** 0.00kg

**Dimensions:** 0.00cm x 0.00cm x 0.00cm

**Call for Price:** 804-800-5180

## Short Description

This Southern Tactical ST-15 is a forged aluminum CNC machined from 7075 T6 aluminum, this lower receiver is type III hard anodized. This is the centerpiece of the the build. We use a 16" Heavy Barrel, parkerized 458 SOCOM barrel with a carbine length gas system and a 1:14 twist. These barrels are made from 4150 Chrome Moly Vanadium and precisely rifled for high accuracy. We use a free floating 13" Mlok rail system so it's easy to mount all your favorite hardware. This has a AR Stoner Linear Muzzle Break. Features an Adaptive Tactical buttstock with recoil pad to soften the recoil. Uses all Mil-spec trigger groups and a custom pistol grip. It is topped off with engraving 458 Socom on the dust cover. This gun will work will only 458 Socom magazines. Comes with 1 10 round magazine. Backed up by a Southern Tactical 1 year Warranty.
